Young Warriors Day Program

Dear Referral Worker,

In lieu of a formal teleconference interview with youth applicants, we are requesting your youth fill out these short questionnaires.

You may help them with the questions, but please engage them in answering themselves as much as possible.

Please note that all medication **MUST** be blister packed in order for us to dispense it. All medication must be handed in to the office at the start of the day and administered by trained staff.

Please discuss with your youth the commitment requirement not to miss any days during program, and if a smoker, how easy or difficult they will find not smoking while at Nenqayni.

Please fax or email completed questionnaires back to Sylvia:
